Name:Dacumos,Brixel Jay

Course ID-Section: IT228-G5

Laboratory Activity 5A

Laboratory Activity 5A

Using Traceroute to Discover the Network

b. What address did the command return for **b2server**? 128.107.64.254

e. What is different about the **traceroute** command on the router compared to **tracert** on the PC?
one less hop since the command is originating from R4, the order of the fields in the output is different listing the IP address in the first column.

What is the significance of R4 to Sales? It is the default gateway for Sales

f. Based on the output of the command, which interface is used to reach the next device in the list output from the **tracert** command?Interface S0/0/0 is connected to the 64.100.150.0 network.

g. What is the name of the device to which you are connected? Tier3a

i. Based on the **show ip route** command output, which interface is the exit interface for the next IP address listed in your original **tracert** output? GigabitEthernet0/0

j. What is the hostname of the current device? ISP-Tier3b

What networks are connected directly to this router? Answer here

Which interfaces connect the devices between trace route 2 and trace route 3? Answer here

k. What is the name of the device? Answer here

Addressing Scheme Table Documentation

Trace Route ID	Device	Interface	Address	Subnet Mask
-	Sales	NIC	172.16.0.x (DHCP)	255.255.255.0
1	R4	G0/0	172.16.0.0	255.255.255.0
		S0/0/0	64.100.150.1	255.255.255.252
		S0/0/1.1	64.100.200.1	255.255.255.252
2	ISP-Tier3a	G/0	64.104.22.1	255.255.255.252
		G0/1	64.104.223.1	255.255.255.252
		S0/0/0	64.100.100.2	255.255.255.252
		S0/1/0	64.100.150.2	255.255.255.252

3	ISP-Tier3b	G0/1	64.104.222.2	255.255.255.252
		G0/2	64.100.8.1	255.255.255.0
		F0/1	128.107.46.1	255.255.255.0
		F/0/2	64.104.222.5	255.255.255.252
4	B2-R1	G0/0	64.104..222.6	255.255.255.252
		G0/1	128.107.64.1	255.255.255.0
5	b2server.pt.pka	NIC	128.107.64.254	255.255.255.0

Topology Documentation

Attach a **hand-drawn** topology of the new branch location. Include your name, course code and section, as well as the date of completion.
